

Dispensaries

The Colorado Medical Marijuana amendment, statutes and regulations are silent on the issue of dispensaries. While the Registry is aware that a number of such businesses have been established across the state, we do not have a formal relationship with them. Please be aware:

The Registry does not license dispensaries.

The Registry does not have a list of dispensaries.

There are no regulations regarding dispensaries.

The Registry is unable to assist with complaints regarding dispensaries.

The Registry has no information on how to establish/operate a dispensary.

There may be local ordinances that might impact the operation of a dispensary. Please contact local authorities for specific information.
