Subject: Request for Radioactive Material License Amendment

Dear Mr. Tarlton,

We are requesting an amendment to license condition 6.L. which will add U-nat and increase the allowance for U-232 as shown below.

<u>Isotope</u>	<u>Activity</u>
U-nat	67 nCi
U-232	16.5 nCi

Cotter accounts for calibration standards by license condition. We will wait to place the order until the license amendment has been approved and notification is received.

If you have any questions regarding this transmittal please contact me at (719) 275-7413 ext. 212.

Sincerely,

Jim Cain
Environmental Coordinator/
Radiation Safety Officer
