RE: Semi-Annual Review of Well Permits

Dear Mr. Cain,

Review of Colorado State Engineers Office well permit database was performed on March 10, 2010 for well use changes that were recorded by Colorado Division of Water Resources during the second half of calendar year 2009. Corresponding with the Water Use Survey study area identified during the EPA 5-Year Review, the review area included all of Sections 2, 3, 4, 9, 10 and 11 in Township 19 South, Range 70 West.

- One well, Permit 152565, in Lincoln Park submitted a change of ownership on December 10, 2009.
- Cotter Corporation obtained a well permit for a monitoring well on October 29, 2009.

Copies of the reports are provided. If you have questions regarding this research, feel free to call at 719-275-8951.

Best Regards,

Angela Bellantoni
