

**AIR POLLUTION CONTROL DIVISION CONSTRUCTION PERMIT
GENERIC FINAL APPROVAL SELF-CERTIFICATION FORM**

Ver. September 10, 2008

Company Name: _____

Source Name^A: _____

Source AIRS ID^B: _____

Permit Number: _____ **Issuance Date:** _____

All information related to the Final Approval certification of the above referenced Initial Approval construction permit must be certified by a responsible official as defined in Regulation 3, Part A, Section I.B.38. This certification means that each condition of the Initial Approval or Construction permit has been reviewed and the source is in compliance with all conditions of the permit. A Final Approval permit or letter of Final Authorization to operate under the Construction permit will only be issued if all permit conditions are being met. This signed certification document must be submitted to the Air Pollution Control Division (APCD) along with all supporting documents (i.e. Compliance test and/or sampling results, opacity readings, operating & maintenance plans, etc.) necessary to fulfill self-certification requirements of the Initial Approval or Construction permit. Each individual permit requires a separate signed self-certification form.

I have reviewed the above paragraph, the terms and conditions of the Initial Approval or Construction permit referenced above and the information being submitted for Final Approval of this permit in its entirety. Based on information and belief formed after reasonable inquiry, I certify the source is in full compliance with each term and condition of the referenced Initial Approval or Construction permit. In addition, the statements and information contained in this self-certification submittal are true, accurate and complete.

Please note, the Colorado Statutes state that any person who knowingly, as defined in § 18-1-501(6), C.R.S., makes any false material statement, representation, or certification in this application is guilty of a misdemeanor and may be punished in accordance with the provisions of § 25-7 122.1, C.R.S.

Printed or Typed Name Title

Signature Date Signed

Footnotes:

^A Source name is how the company references the facility (i.e. Little Creek Compressor Station)

^B Source AIRS ID is the ten-digit identification number issued by the APCD for the emissions source (i.e. 123/3456/001). This may be found in the lower left hand corner of the permit.
