INSTRUCTIONS

- A. An electronic version of this form can be filled out and printed by going to the following Web address: www.cdphe.state.co.us/certs/patreport.pdf. You must then obtain the signature and seal of the District/Juvenile court and mail the completed report to Vital Records.
- B. Colorado law (C.R.S. 25-2-107 and 25-2-113) authorizes the preparation of a new birth certificate for a person born in Colorado following a decree of paternity. To avoid unnecessary delay in filing the new birth certificate, please complete this form carefully.
- C. For children born outside of Colorado the report of paternity determination will be forwarded to the appropriate state vital statistics office.
- D. Make check or money order payable to Vital Records. Please do not send cash. The fee for processing a change is \$20.00. The first certified copy costs \$17.75. Additional certified copies ordered at the same time cost \$10.00 each.

Please return with a photocopy of your driver's license, state ID, passport or other acceptable ID.

If you have questions call (303) 692-2230 or e-mail vital.records@state.co.us.

- E. The original birth certificate will be pulled from the working files and indices and placed in a sealed file along with the report of paternity determination. This sealed file shall not be subject to inspection except as provided in section 25-2-113.5, upon order of a court of competent jurisdiction, or as provided by regulation.
