

Radiation Management Servicing and Services of Radiation Machines Registration

Any person who is engaged or (offers to engage) in the business of selling, leasing, transferring, lending, assembling, installing, maintaining, repairing, storing, trading out, or disposing of radiation machines and their related components must register with the Department prior to providing those services to any facility.

Who Must Apply

Any person can be registered in the following categories:

- A. Diagnostic Machines**
 - Healing Arts (Diagnostic)
 - Dental
 - Industrial Clinical
 - Accelerator
 - Non Healing Arts

Each registrant may register in one or all of the following categories:

- Sales Only
- Installation of Radiation Machines & Related Machine Components
- Servicing of Radiation Machines & Related Machine Components
- Calibration of Radiation Machines

Application Process

Individuals must complete an application form for registration available from the Department (Form R-60). The completed form and applicable fee must be submitted to the HMWMD, Radiation Control Program, X-Ray Certification Unit. The application will require appropriate documentation of training and experience and other technical information needed to assess the qualifications of the applicant. The applicant will be notified in writing when the registration is approved or denied. A renewal application (Form R-60) must be submitted at least 30 days prior to expiration of their current registration.

Duration of Registration

2 years

Fees

\$160

Public Participation

There are no public participation requirements necessary for this registration.
