## **NOTICE OF PUBLIC RULEMAKING HEARING BEFORE THE COLORADO AIR QUALITY CONTROL COMMISSION**

Regarding proposed revisions to:

### **Regulation Number 11, Part F**

#### **SUBJECT:**

The Air Quality Control Commission will hold a rulemaking hearing to consider correction of twelve numerical values in the Phase-in Emission Limit tables set forth in Sections III.C and III.D of Regulation Number 11, Part F (5 CCR 1001-13). The AQCC adopted the phase-in emission limits during a March 18, 2010 rulemaking hearing. These phase-in emission limits were intended to mirror the emission limits applicable in the Automobile Inspection and Readjustment (AIR) program prior to 2008. Due to clerical error, 12 of the 108 phase-in emission limits were incorrect. During the rulemaking hearing the AQCC will consider a proposal to correct the twelve incorrect phase-in emission limits so that they match the values applicable in the AIR program prior to 2008.

#### **HEARING SCHEDULE:**

DATE: January 20, 2011  
TIME: 9:00 AM  
PLACE: Colorado Department of Public Health and Environment  
4300 Cherry Creek Drive South, Sabin Conference Room  
Denver, CO 80246

*The hearing may be continued at such places and time as the Commission may announce. Interested parties may contact the Commission Office at 303-692-3476 to confirm meeting dates and times.*

#### **PUBLIC COMMENT:**

The Commission encourages all interested persons to provide their views either orally at the hearing or in writing prior to or at the hearing. The Commission especially solicits comments and analyses from persons who will incur directly some cost or benefit from the proposed revisions. Public testimony will be taken as close to the start of the hearing as possible and during the hearing as necessary. Written and/or electronic submissions are requested, but not required to be submitted prior to the hearing to allow review prior to presentation at the hearing. Written and/or electronic submissions should be mailed to the Commission Office at least 14 days prior to the hearing.

**PARTY STATUS:**

In order to obtain party status at the hearing, compliance with several requirements as defined in the Commissions Procedural Rules is necessary. A petition for party status must be filed by electronic mail with the Office of the Air Quality Control Commission no later than close of business on **November 15, 2010**. The petition must: *1) identify the applicant; 2) provide the name, address, telephone and facsimile numbers, and email address of the applicants representative; and 3) briefly summarize what, if any, policy, factual, and legal issues the applicant has with the proposal(s) as of the time of filing the application.* Electronically mailed copies must also be received, by this same date, by the Division staff person and the Assistant Attorneys General representing the Division and the Commission identified below.

Any person may petition the Commission to file documents in paper copy format if they are unable for any reason to comply with the requirements of 1.3.8(2) of the Commission's Procedural Rules. An original and a specified number of paper copies must be filed in the Office of the Air Quality Control Commission, Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South, Denver, Colorado 80246. Individuals may also obtain party status through the submittal of an initial alternative rule to the proposed rule. The submittal of an alternative proposal must be accompanied by an electronic copy of the initial alternative proposed rule and all other associated documents as required by the Commission's procedural rules and must be filed by electronic mail with the Office of the Commission by the date specified for party status requests.
