

2012 CACFP New Center – Staff Training Dates and Locations

Training classes are for staff members who have CACFP duties.

You or the person enrolling you for class must have a user id and password to the on-line application website.

To enroll use the on-line CACFP application website: <http://co.cnpxpress.com>.

When you enter the website, click on **Child/Adult Care**.

Click on the **Training** tab and scroll down to **Enroll**.

This will bring up the course list.

Click anywhere on the **Course Description**.

This will bring up the classes. Click on the **Class Date** you wish to attend.

This will display the **Enrollment Room**.

Complete the form and check for accuracy as certificates are created from the information you provide.

An email confirmation will be sent to you. Due to limited space availability, three people per institution may attend. **“Participants are asked to bring two weeks of menus to use during the class.”**
