

**School-Based Health Center Program  
FUNDING CONTRACTORS  
FY 2009-10**

The following table lists the programs receiving support from the Colorado Dept of Public Health and Environment's School-Based Health Center (SBHC) Program in fiscal year 2009-10. **Lead Agency** –These programs have contracted with the State to provide fiscal and general oversight for the school-based health center sites. **School District(s)** – Every school-based health center on this list is part of a school district. **County** - Some school districts/schools reside in more than one county. **# of SBHC sites and type of school(s)** – These are the number of centers overseen by the Lead Agency. **Planning vs. Implementation** – The majority of funding is helping support ongoing centers. Two planning programs from the 2008-09 fiscal year have been had awarded continuation funding to complete their planning. **Award Amount** – This is the amount of funding awarded to each Lead Agency.
