

For requesting a Site Location Application or Design Review Fee Information, please send your request via email on the [Fee Request Form](#) to the attention of Bret Icenogle, Engineering Review Unit Manager, at bret.icenogle@state.co.us . This is applicable for all projects, regardless of the location within Colorado. For specific questions regarding project submittal requirements, please contact Bret via email or by phone at 303.692.3278. **To ensure appropriate log-in and tracking of your project submittal, please direct all project submittals to the attention of Bret Icenogle.**

The specific schedule of fees is found in Section 25-8-502 (1)(b.7) of the Colorado Water Quality Control Act.
